---	-------------------	-------------------------	-----------------------

DELUXE FLAT 12"x12" INSPECTION MIRRORS

FEATURES: This flat inspection mirror provides a wide angle view to scan large areas quickly. The black powder coated handle is adjustable from 30" to 50". The heavy duty mirror, used for rugged indoor and outdoor use, rests on 4" wheels and is available in glass or acrylic. It is constructed with a holding bracket for a standard "D" flashlight, (flashlight included).

GUARANTEE: Meek Mirrors gives a one year guarantee on all products against defects in workmanship and material.

SPECIFICATION: Product shall be M2214 or M2224 as distributed by Meek Mirrors Fort Smith, Arkansas. Above data is applicable to productions as of the date of this technical data sheet. The manufacturer reserves the right to make changes in design without formal notice.
