**Installation
Instructions**

THEFT RESISTANT SIGN FRAME	DATE June 2017	MODEL M1201 M1211	SHEET NO. 1-00
-------------------------------	-------------------	-------------------------	-------------------

Installation Instructions

- 1) Disassemble frame from back plate.
- 2) Mount back plate to the wall using screw holes closest to the roll formed edge. Make sure the back plate is level and square.
- 3) Position sign and 1/8" acrylic on the bottom edge of the back plate with sign and acrylic resting on the roll formed flange and hold in place. Make sure the sign and acrylic is firmly in the frame.
- 4) Starting at the bottom of the frame, place the frame over the edge of the back plate. Start to snap the frame onto the back plate working toward the corners. Then continue up the sides and across the top until the frame snaps in place.

Product made in the USA.
