

INFINITY FLOATING FRAMED MIRROR

Meek's Infinity Mirror is a truly elegant polished edge mirror floating in our sleek handcrafted stainless steel frame. The deep reflective quality of the mirror glass and the hand polished corners and edges make this an exceptional mirror. It features minimal, classic lines for a modern and contemporary style. This mirror with its classic modern sleek style is a distinctive addition to any room.

MINIMALIST DESIGN- Infinity Floating mirrors are sleek and durable. They add a distinctive element to any project.

DURABLE - Mirror is $\frac{1}{4}$ " thick compared to most lesser quality mirrors that are $\frac{1}{8}$ " thick.

EASY INSTALLATION - Quick & easy with concealed mounting for a sleek look.

1 YEAR GUARANTEE - Against defects in workmanship and material.
