

ELEGANT ALUMINUM FRAMED MIRROR

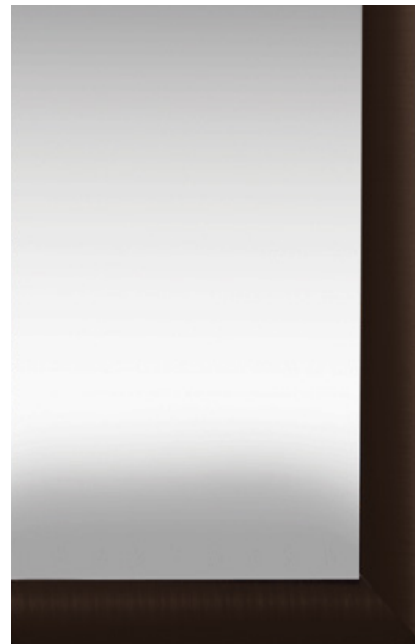

Meek's aluminum framed mirrors bring a new visually appealing element to the framed mirror industry. They are hand crafted from high quality aluminum moulding **from Nielsen Bain Bridge** that will add a touch of elegance to any room. This concept is excellent for large commercial and residential projects and may also be used for artwork. The frames are available in a variety of styles & colors. Each unit hangs with Meek's non-visible security bar mounting system.

UNIQUE CHARM- Aluminum framed mirrors are sleek and durable. They add a distinctive element to any project.

DURABLE - Mirror is $\frac{1}{4}$ " thick compared to most lesser quality mirrors that are $\frac{1}{8}$ " thick.

EASY INSTALLATION - Quick & easy with no visible mounting for a sleek look.

1 YEAR GUARANTEE - Against defects in workmanship and material.
